SCHEDULE OF METER RATES
PAYABLE SEMI-ANNUALLY

DEMAND CHARGE

⅝ inch meter one consumer	$2.00
¾ inch meter one consumer	2.50
1 inch meter one consumer	3.00
1½ inch meter one consumer	4.50
2 inch meter one consumer	7.00
3 inch meter one consumer	12.00
4 inch meter one consumer	20.00
6 inch meter one consumer	37.50
8 inch meter one consumer	65.00
10 inch meter one consumer	100.00
Each additional consumer on same meter	.75

In determining Demand Charge each dwelling, flat, office, store tenant, etc., is rated as one consumer.

WATER CHARGE (Local)

First	75,000 cu. ft. per 100 cu. ft.	7½c
Second	425,000 cu. ft. per 100 cu. ft.	6 c
All over	500,000 cu. ft. per 100 cu. ft.	4 c

WATER CHARGE
Outside City Limits

First	75,000 cu. ft. per 100 cu. ft.	10c
Second	425,000 cu. ft. per 100 cu. ft.	7½c
All over	500,000 cu. ft. per 100 cu. ft.	6c

The Demand Charge is based upon the size of meter and the number of takers per meter and is designed to cover the Fixed Charges of the Water Department such as Taxes, Interest and Depreciation.

The Water Charge is based upon the quantity of water used and is designed to cover Operating Expenses.

SECTION 32 — WATER RENTS — WHEN DUE IN COLLECTION DISTRICTS

Water rents are payable semi-annually and are due on the first of the following months: Section "A" — west of the center line of Murray Street, in May and November; Section "B", between the center lines of Murray and Patterson Streets, in January and July; and Section "C", east of the center line of Patterson Street, in March and September.

SECTION 36 — PENALTY FOR DELINQUENCY

To all water bills which have not been paid within twenty days after the same become due and payable, there shall be added a penalty of ten per cent of the amount of the bill. If bills remain unpaid for a further period of ten days, the water supply may be turned off at the street control stop, and shall not be turned on until all delinquent service charges, water rates and penalties, and further sum of $1.00 for turning on the water supply, have been paid.
