Hello Mrs. Litzkow - I received your V-Mail letter of March 13 & I enjoyed reading such a nice letter. Having Otto in the Service may make you realize how we boys like to get mail from home. The meat that is packed where you work must be sent to Europe, because the meat we get here in Cans comes from S. America.

As I may have told you I am no longer in Australia, but somewhere in the Southwest Pacific. Over here its hotter than blazes + it rains quite often. Otto may enjoy being in the Service while he is in the States, but its not so good over here. We are away from civilization here, so we have very little use for money, so we send it home. We get a ration of candy + smokes every ten days, so I guess we get our share of candy. I am sorry to hear that Ray Demiller has been sick + I hope he recovers. I am in good health + say Hello to Otto the next time you write.

Your friend
G.J. Capacio.
